*There's
More Room
at The Lodge*

June 2018

In 2019, there'll be more rooms at the Lodge!

THE LODGE CURRENTLY HAS 29 GUESTROOMS - each of which remain true to the building's original structure. The Lodge is the heartbeat of the Estate and is always buzzing with activity. In addition to its bedrooms, the Lodge houses the Victorian Treatment Rooms, the Equestrian Centre, a small number of private function rooms, Conor's Bar and the award winning Snaffles Restaurant.

August 2018 will bring the start of our exciting extension to The Lodge which will see us add 18 beautiful new guest bedrooms bringing the total bedroom capacity to 47 bedrooms.

It's a wonderful story to tell: We have a supply and demand issue. We have created such a demand for The Lodge that we regularly burst at the seams! There are countless nights where we've run out of rooms to sell in the Lodge and this number of nights where we are refusing guest stays is growing by the year... And we don't like to disappoint our guests!

We're also delighted with the fact that we'll be employing even more new staff members as a result of this expansion, continuing to make us one of Monaghan's largest employers.

Bobby Joe preparing for exciting times ahead

LEGEND

- a – Main entrance to the Estate
- b – Main drive to the Castle
- c – Site entrance and boundary line for works

South / South East Facing Elevation

So, what will The Lodge look like?

THE LODGE WILL HAVE A TOTAL OF 47 BEDROOMS, each imaginatively decorated in keeping with the building's period features that reflect the original character of the old Hunting Lodge. The new guestrooms (like the existing ones) will have beautiful spacious bathrooms to include roll top baths and separate power showers and magnificent comfortable beds which are guaranteed to induce a wonderful night's sleep!

As detailed in the drawings above, the new extension will be added to the left hand side of the Lodge in an area that is presently unused. While the works take place, our building crew will enter and depart via a separate unseen entrance to all guests entering the Lodge or the Estate. The images above reflect exactly where the works are taking place and also show an architects drawing as to what it will look like upon completion.

It's important for us to mention that this extension will all take place in the background to the many everyday goings on of the ever thriving Castle Leslie Estate. It's very much business as usual for us and enjoyment as always for our customers.

*“ We can't wait to share it
with you in the summer of 2019.
It's going to be great!*
