

Enchanting Escape

Whether it's a girls' getaway or a relaxing babymoon, the old-world elegance of **Castle Leslie Estate** ticks all the boxes

Nestled on 1,000 acres of undulating Irish countryside and dotted with ancient woodlands and glittering lakes, Castle Leslie Estate is one of the last great Irish castle estates still in the hands of its founding family. Castle Leslie Estate's charm lies in its intimate atmosphere, old-world elegance and ability to make one lose all sense of time and space. Indeed, once you pass through the Estate's enormous gates, all stresses and strains associated with the outside world will cease to exist.

HAVEN OF TRANQUILITY

The Victorian Treatment Rooms, located in the Lodge at Castle Leslie Estate, feature seven treatment rooms, a relaxation area and outdoor hot tub overlooking the stables. Upon entering the Victorian Treatment Rooms, you will be greeted with a cup of herbal tea, a peaceful ambience and impeccable service – all the necessary ingredients to transport you to a realm of serenity. It is hard to believe that such a haven of tranquility can be found a mere eighty minutes from the hustle and bustle of Dublin's city centre. There is a wonderful natural atmosphere at this spa, reflected in their exclusive choice of Eminence and VOYA organic products. All treatments utilise nature's ingredients, sure to indulge the senses and treat the body, mind and soul.

A SENSORY EXPERIENCE

Castle Leslie Estate offers a wide variety of treatments including massages, facials and wraps, each one tailor-made to suit the individual. However, Castle Leslie Estate's signature treatment has to be the decadent Chocolate Truffle Wrap, a real treat for the body without the calories! The experience begins with a full-body exfoliation using cranberry and pomegranate sugar scrub. Afterwards, the body is immersed in a 100pc organic cocoa, whipped to a truffle

with macadamia and almond oils steeped in vitamins C, E and B3, leaving skin hydrated, toned and plumped.

MENTAL AND PHYSICAL HARMONY

In this stressful age, more and more people are searching for mental and physical harmony. It is with this in mind that Castle Leslie Estate has developed a number of holistic and alternative treatments designed to enhance well-being, aid healing and encourage relaxation.

The most popular of these is the Hot Stone massage, the Reiki treatment and Reflexology. A 55-minute course of Reflexology at the Victorian Treatment Rooms is Castle Leslie Estate's ultimate spa experience. Working on reflex points on the feet, this therapy improves circulation, reduces stress, as well as working to combat a number of health conditions.

A RELAXING STAY

After spending the day in a cocoon of relaxation, you won't want to leave, so why not prolong your blissful experience with a stay at the luxurious Castle Leslie Estate? The Castle, rich in unspoiled rural splendour and breathtaking artefacts, offers complete respite from the rest of the world – you won't find televisions, radios, or minibars within

the bedrooms. The Castle features 20 unique bedrooms – whether your idea of heaven is a romantic boudoir designed with relaxation and privacy in mind or flamboyant rooms decorated with rich, deep colours, there's a room to suit your tastes.

If, however, after your day of pampering you are feeling replenished and energetic, a stay at The Lodge is a necessity. Now after a multi-million euro extension, it is complete with 50 rooms – each of which remain true to the building's original structure – and buzzing with activity, there is plenty to keep you occupied at the boutique, country house-style Lodge.

For those embarking on a romantic getaway, there is the luxurious Old Stable Mews and Village Cottages. Majestically set within a cutstone courtyard, the Old Stable Mews offers old-world elegance with modern convenience. This old coach house features a selection of two-bedroom mews, which have been restored and refurbished to offer every modern comfort.

Located in the centre of the village, the Village Cottages offer guests independence with the option to avail of all the estate has to offer.

Trek along the estate's 21 miles of meandering bridleways, unwind with a private movie screening at Castle Leslie Estate's cinema, take in some of the most exquisite scenery to be found in Ireland or tantalise your taste buds at Snaffles Restaurant.
